Percentage of Population Who Belong to a Minority Group by Public Use Microdata Area (PUMA 5)

NOTE: In order to meet population threshold requirements, PUMAs 01801, 01802, and 01905 within Louisiana were combined into one area due to the large displacement of population following Hurricane Katrina in 2005. This combined area is referred to as PUMA 77777.

Hawaii Inset

Alaska Inset

Produced by the Geographic Resources Center in cooperation with the Missouri Census Data Center.
